**WE ARE ABOUT  
BELONGING**

The aim in creating the new ISB Boarding Facility is to provide a world-class residency for 23–46 students, with the option of single (subject to a supplementary payment) or twin rooms.

The contemporary design and layout of the new facility is on one floor with high levels of natural light and ventilation. There is secure bike storage as well as multiple social areas, kitchenettes, lounges and study facilities. The city and all major transport centres are easily accessible, with tram and bus stops within walking distance.

International School of Bremen**

# EXPERIENCE TRULY INTERNATIONAL BOARDING

As part of an increasingly mobile world, the ISB Boarding Facility will establish itself as a genuine champion of internationalism within the School, with students representing more than 40 countries. We are proud of our multicultural identity, and celebrate the things that make us different as an integral part of boarding life.

Expert social care staff will ensure our students have the constant support, guidance and care to be happy, inspired and ready to make their mark on the world.

We see student achievement as an individual goal. Academic success in the renowned International Baccalaureate Diploma Programme (IBDP), consistently above international averages, ensures our boarders can attend the universities of their choice anywhere in the world or even here in Bremen through a close partnership with Jacob's University.

Success in CAS (i.e. sports clubs, the performing and creative arts and voluntary community service) and in leadership, growth and responsibility empowers all to become well-rounded and well-grounded individuals.

Our outstanding residency is located within a ten minutes' walk from the School and enjoys modern furnished bedrooms, social areas, washing facilities and during the week meals are supplied by the School's on-site cafeteria with fresh, organically produced food prepared on site daily.

We are surrounded by beautiful countryside, only minutes from the cultural, historic and dynamic attractions of Bremen City Centre, and on the doorstep of Bremen Airport and the central railway station providing links into Europe and the world beyond.
